GAS JOURNAL

Index to Vol. 338

April 2, 1969-June 25, 1969

The General Index for April to June is followed by an extended Classified Index under the following subject headings:

Area Boards	ii	I.G.E.	iv
Authors	iii	Trade Publications ...	iv
Book Reviews	iii	Trade Notes	iv
Personal	iii	Technical Developments	iv
Gas Council	iii	J.G.A.	iv
Obituary	iii	Gas Consultative Council	iv
Editorial Comment ...	iii	Conversion Supplement	iv
		Transmission and Distribution	iv

Walter King Ltd.

Elm House, 10-16 Elm Street, London, W.C.1.

GENERAL INDEX

A

Abstracts from recent British patents, 24, 60, 94, 124
Algerian gas for Spain, 310
Australia—
Gas price cut by 12½%, 309
Gippsland gas for Sydney, 168
More finds, 32
Oil and gas boom continues, 126
Rapid increase in gas demand in the West, 351
Victoria has 25-year supply, 354
Australian Associated Oilfields Group announces discovery of new gas well, 144

B

Belfast scores successes in the Lord Mayor's Show, 394
Big future for district heat?, 125
Biggs, Wall completes second expansion phase, 197
BP seeks natural gas in W. Berlin, 394
British Pump Manufacturers' Association, 386
British Standard code for temperature, 194
B.S.I. conference theme 'Face to face with metrication,' 310
Buyer's views on British Standards, 145

C

Celtic Sea Seismic Consortium enters Irish sea search, 143
Chairman of the International Management and Engineering Group resigns, 30
Changing pattern of gas, 63
Chromatographic analysis of fuel gases, 145
Civil engineering group formed, 143
Clean air awards scheme, 32
Clyde gas and water pipelines, 392
Coal and gas advertising, 99
Computer controls gas-making plant, 310
Computers will bring greater efficiency at lower cost, 166
Continental Oil (U.K.) and N.C.B. in exploratory sea drilling, 30
Conversion accidents very rare, 291
Conversion now in South Australia, 12
Cooper-Bessemer's GMVA8 integral-angle engine compressor under test, 31

D

Derry gas profit up by £17,000, 197
District heat for the new Britain, 144
Dutch natural gas output, 310

E

European Commission's outline for common energy policy, 28
Experts' report may mean sky flats' gas cuts have to stay, 166

F

Fact-finding visit to U.S., 311

G

Gas achieves another 12% increase, 98
Gas appliances on show at health exhibition, 168
Gas central heating jumps ahead, 125
Gasfitters visit works, 166
Gas on the Continent, 96
Government rejects single state industry ministry proposal, 394
Grants for training, 196
'Guaranteed warmth'—opportunity to make a breakthrough, 97
Gulf Oil poised for Irish Sea search, 329

H

Help for gas equipment exporters, 196
Humphreys and Glasgow awarded £¾ mill. contract, 143

I

Ideal Home results support heating scheme marketing strategy, 63
If and when for Irish Sea gas, 125
Illiffe Science and Technology Publications Ltd. publish new information bulletin, 306
Institute of Fuel luncheon, 165
Institute of Measurement and Control silver jubilee, 292
International conference on SI units, 164
International Gas Conference held in Paris, 331
Iran natural gas network, 354
Israeli strike, 30
Is there hope for more North Sea gas?, 7

K

Keeping in good odour with the public, 354
Keeping up standards, 31

L

Large rises advocated for state industry leaders, 9
London Engineering Congress, 394

M

Main Morley Ltd., and R. & A. Main to merge, 196
Midland Heating and Ventilation Co. Ltd. wins Hinckley services contract, 197
Minister and North Sea gas supplies, 98
Ministry appointments, 293, 332
Miss Great Britain opens showroom, 166
Mobil holds second gas liquids international conference, 166
More drilling off Cape, 146
Motherwell Bridge Engineering Ltd., has obtained a contract from the Gas Council, 293

N

NALGO—
Conference theme productivity, 381
Opens home for retired members, 30
Natural gas aid for Australian ceramics, 292
Natural gas burner, 10
Natural gas hits tar, 145
Natural grid pipeline will make industry No. 1 sales target, 392
New BSI publications, 99
New system for strengthening high-rise buildings, 354
New system will produce smokeless fuel, 10
North Sea—
Bacton planning, 329
Bacton terminal ready for gas demands, 321
BP's operations, 146
Burmah Oil drilling disappointment, 309
Control systems, 166
Drilling rigs return, 145
Dutch find, 10
Leman output resumption, 196
Leman supplies satisfactory, 394
MPs ask about reserves, 144
MPs query winter's effect on drilling rigs, 10
NCB and natural gas, 293
New strike, 63
Phillips and Arpet Groups sign operating agreement for Hewett field, 32
Progress report, 392

P

Pay rise for Britain's gasmen, 100
Perpetual spring in air-conditioned shopping centre, 117
Plans to convert 1 mill. more customers in 1969-70, 98
Platon factory extension inaugurated, 310
Plumbers upset by package deal, 63
Potterton—
Millionth boiler is now installed, 329
To develop Warwick and Leamington works, 146
Problems for Dutch gas marketeers, 397
Problems from privately installed meters, 392
Process Heating Exhibition, 393

R

Radiation dinner for employees with more than 25 years' service, 198
Revised standard on work study terms, 397
RoSPA grant approval for course, 397

S

Salford University's £1.7 mill. civil engineering building opened, 331, 352
S.B.G.I. Chairman and small industrial consumer conversions, 196
Scottish smoke control orders, 126
Second thermal analysis school, 149
Seven-week industrial safety course, 149
Severely corroded gas pipework renovation, 356
Short course on heat and mass transfer, 354
Signed for gas central heating, 126
Site decision needed, 292
South Africa—
Oil hopes, 32
Sea gas strike, 12
Standardise plea, 98
Swedes will seek gas, oil in Baltic, 126
Symposium on control of H.P. gas systems, 126

T

Terms relating to gas chromatography, 292

U

Underground storage for high pressure gas, 291

V

Valves symposium a success, 292

W

Welders offered £150-a-week for work on North Sea pipeline, 394
Welding Institute revises membership regulations, 159
Wellman Engineering Corporation Ltd.—
Area changes, 199
Forms new company to expand gas interests, 30
Whessoe links with U.S. firm, 146
Women's Gas Federation annual meeting, 352
World Digest, 391

Y

York to lose its 200 ft. gasholder, 393

CLASSIFIED INDEX

AREA BOARDS

EASTERN
New non-domestic tariffs for natural gas, 351
Tele-communication modernisation, 356

EAST MIDLANDS
Gas output rose to 609 mill. therms, 293

NORTH EASTERN
Trophy holders in finals again, 196

NORTH THAMES
Biggs, Wall & Co. Ltd., awarded contract to construct Essex gas main, 146
Colour magazine by the end of September, 166
Conversion in the Bracknell area, 196
Extends programme still more, 196
First aid competition winners for the fifth year, 392
New office block at Southend, 100
Reorganisation and new department appointments, 127
Sold another of its collieries, 293
Storage vessels fabrication and erection to be undertaken by Capper-Neill, 393
To convert all factories in the Slough Trading Estate, 196
Tube assemblies, 356
Will supply natural gas on an interruptible basis, 196

NORTHERN
North Sea gas £1 mill. agreement for Lynemouth aluminium smelter, 143

NORTH WESTERN
Dunlop and Board sign natural gas contract, 146
Members inspect tunnel under ship canal, 144

SOUTHERN
Colour films receive world premiere, 332
Cooker campaign 'splendid effort', 394
Determination to maintain reputation as fastest growing Board, 8
Improved 'phone system at Botley, 144
Long service awards, 293
Open first aid competition, 393
Service and Conversion conference, held at Southampton, 330
Sold 14.3% more gas in 1968, 197
Trio of awards, 292
Women lead in first aid contest, 168

SOUTH EASTERN
Commercial Department appointments, 147
Conversion explained in Sussex, 165

SOUTH WESTERN
Gas price reduced, 309

WALES
Investiture souvenir, 30

WEST MIDLANDS
Series of four sales conferences, 12
Wins huge Black Country gas contracts, 125

SCOTTISH
Area Staff Conference, 121
